

OUR MISSION

To provide the community with fresh, locally grown agricultural products and provide producers with a market to sell their products.

We believe a farmer's market helps bring the community together and is an asset to the local economy.

St. Maries Farmers Market

Support your local
producers!

2009 Season
May 15 – October 2
Fridays 3 – 6 pm

Farm Fresh

The St. Maries Farmer's Market Association was established in 2004 when they had their first market season. The St. Maries Farmer's Market Association is a community-based organization developed to support area agricultural producers. The Market is a membership based unincorporated non-profit organization governed by an executive board elected from the membership.

The farmer's market is held every Friday starting May 15, 2009 thru October 2, 2009 from 3 to 6 pm in downtown St. Maries, adjacent to the Hughes Historical House on Main Street.

The annual membership fee is \$30 if paid before May 15, 2009 after that date the fee is \$40. One-day vending fee at the market is \$10. The St. Maries Farmer's Market is an "Idaho Preferred" Market.

"Buying products with the Idaho Preferred™ label is your way of knowing you are purchasing the freshest and best products available - and keeping dollars in the local economy."

<http://www.idahopREFERRED.com/>

Membership includes a 12' x 12' space at the market for the season. Membership applications are subject to Steering Committee review.

The day-to-day operation of the market will be handled by the designated Market Manager.

Only Idaho farmers and producers who live within 60 miles (as the crow flies) of the market, may sell at the market. All products offered for sale must be grown, raised, or crafted by the vendor. No brokers may sell at the market. Brokering is buying items and then reselling them at the market.

Produce may not be advertised as "organic" unless it is registered or certified organic.
