

Bonner County Master Gardener Association Membership

The Bonner County Master Gardener Association works with the UI Master Gardener Program to promote, finance, and organize the work of the program. The Association has officers, holds monthly membership meetings, publishes the Membership Directory, publishes a monthly newsletter (The Garden Gate), creates committees, provides community education, creates articles and handouts, sponsors money-raising functions, and much more. Members may attend the Home Horticulture classes for a reduced \$5.

To be a member of the BCMGA, the annual dues are \$10.

If you choose **not** to recertify at this time, you may pay the \$10 dues and join the BCMGA as an Associate Member. You will receive the Directory, newsletter, and announcements. You may be involved with association activities that do not involve plant problem diagnosis and recommendations. If you have any questions, please call any of the officers listed in the front of your Membership Directory.

Please select one of the options on the following form and submit the form with the \$10 by October 30, 2009.
