

**Canyon County 4-H / FFA
Market Livestock Sale
Program**

4-H & FFA members bring their market projects to the Canyon County Fair for judging and sale. As part of their project, members are encouraged to contact potential buyers to come to the livestock auction for project support. So please take time to listen to the youth of our community. They are learning valuable skills. These experiences aid in their knowledge and leadership which makes our communities stronger. Consult your tax accountant for best contribution credit on your taxes. Supporters will be recognized publicly for their contribution.
