4-H Club Annual Plan of Meetings and Activities

4-H Club Officers and Advisors should meet at the beginning of the year and before each club meeting to plan club activities and events and set the business agenda, the program and the recreational activities. The most effective club meetings are those that run a maximum of 60-90 minutes and consist of three segments: recreation and song (15-20 minutes), club business (20-30 minutes), and program (no longer than 30 minutes). Conclude the meeting with refreshments. This meeting sequence should be arranged to meet the needs of members, program guests, or club preference. Use this form and your county 4-H calendar of events to organize your club meetings and your annual plan. It is considered part of the Secretary's Book. See sample plan on back page.
