The Idaho Master Gardener Program Handbook was prepared by a committee of University of Idaho educators:

Tony McCammon, Chair, Extension Educator, Twin Falls County
Jennifer Jensen, Extension Educator, Bonner County, Sandpoint

Susan M. Bell, Extension Educator, Ada County, Boise
Wayne B. Jones, Extension Educator, Bonneville County, Idaho Falls

The committee wishes to thank the contributing authors and the many people who have assisted in the production of this handbook.
The concept of the Master Gardener Program originated in Washington state in the early 1970s. Many of the materials in this handbook have been taken by permission from the Master Gardener Handbook produced by Washington State University. The authors appreciate WSU’s leadership and willingness to share resources. They also appreciate being able to use materials from the Master Gardener Handbook produced by Oregon State University.

For information about the Idaho Master Gardener Program, see the following website:
