

# 2009 Nez Perce County Fair

## "Lettuce Entertain Ewe"

### Horse Display

There are limited openings for horse displays at the fair this year. Please keep in mind that there is a lot expected from both horse and the member during the fair. The member must be willing to keep the area very clean and tidy, and must be willing to provide an educational display. There is a lot of people and noise at the fair, so the horse must be calm and quiet and used to being stalled. If you are interested in displaying your horse please complete and return this application to the Extension Office by September 4th. If you have any questions, please feel free to call.

I understand that this display is for fun only, and will conduct myself in a manner that promotes both 4-H and good horsemanship. I understand that there will be a lot of time dedicated to keeping my area clean and presentable and am willing to do this. If I fail to do these things I understand that my horse and I will be removed from the barn.

I understand that any activity that involves horses contains an element of danger and risk of injury to both myself and my horse. Nevertheless, I voluntarily accept all risks connected with participation in this contest and release, discharge, and covenant not to sue the Nez Perce County 4-H Program, Nez Perce County Fair Board, University of Idaho employees or any 4-H volunteer or any agents of the above, for any claims or liability related to these inherent risks that may occur.
